

REMARKS

Applicants' attorney disagrees with the deletion of the paragraph in the specification on page 24, "All of the above U.S. patents, . . . . . , are incorporated herein by reference, in their entirety." Applicants' attorney requests that this paragraph remain as it refers to the document EP-A-1113450, which is discussed in the specification.

This change does not alter the claims and constitutes no new matter. It is directed to matters of form to place language back into specification that was present when filed.

The Director is authorized to charge any additional fees due by way of this Amendment, or credit any overpayment, to our Deposit Account No. 19-1090.

All of the claims remaining in the application are now clearly allowable. Favorable consideration and entry of this Amendment are earnestly solicited.

Respectfully submitted,
